The Mediterranean as a Geopolitical Process: Adaptation to Overlapping Crises?

Prof. Pere Vilanova (Universitat de Barcelona – IBEI)

The objective of the IBEI Summer Schools is to offer different short courses on significant topics in international security, international relations and the Mediterranean area, taught by experts of international prestige.

The direction and coordination of the Summer Schools will be provided by Prof. Martin Shaw (International Security School) and Prof. Pere Vilanova (Mediterranean School). The IBEI Summer Schools are aimed at graduate students, professors and researchers in the areas of political science, economics, international relations and international studies who are interested in learning first-hand about the latest advances in research.

PRICES AND DISCOUNTS

The price of each course is **300 €**

Discounts:

For second course – **220 €**

For third course and successive – **180 €**

Your registration will be complete once the payment has been confirmed.

DELIVERY OF COURSES

Each course will take place in two hour sessions per day during one week (five sessions). Each course is independent and participants can register in any of them. Besides this schedule, there will be time planned for personal interactions with professor where you can take the opportunity to comment your research or project with one of these prime academic figures of the International Relations field.

REGISTRATION PROCEDURE

Detailed information, registration and payment over the IBEI website at **www.ibei.org**

Further information on the Summer School at **summer@ibei.org**

CERTIFICATION

At the end of each course you will get an IBEI's certificate of attendance, if you attend more than 80 % of the sessions.
